

## **Orientation on NSS Extension Activities for the First Year Students 2021-2022**

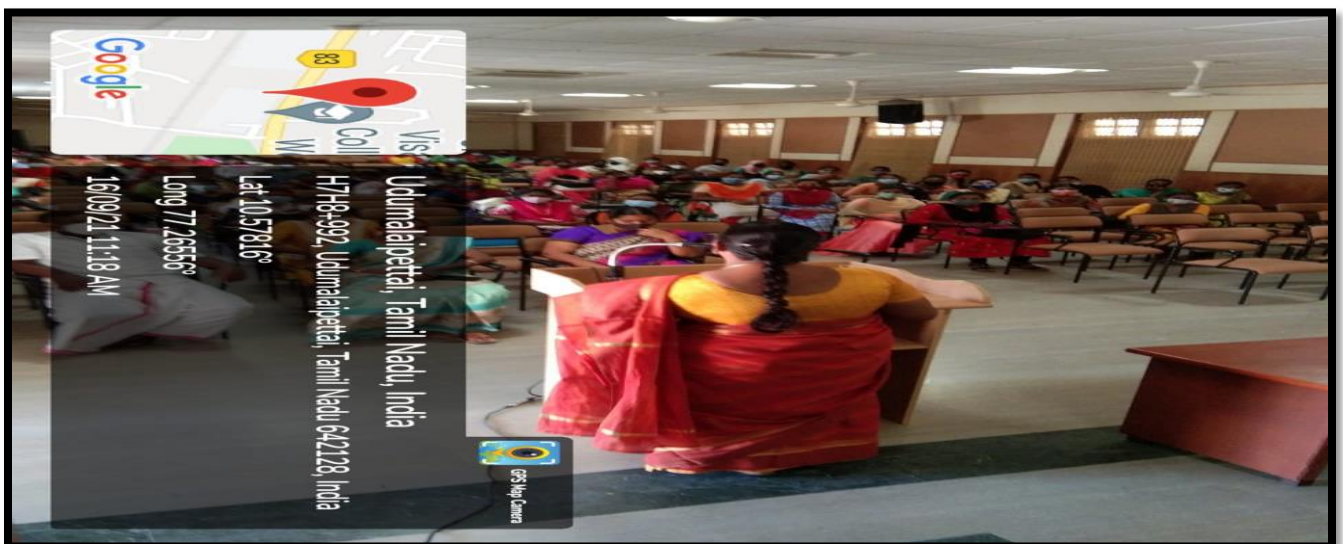

It is mandatory for all the fresh students admitted in any UG Degree Programme offered by the college to undergo Students Induction Programme in order to help the students feel comfortable in the new environment and adjust to the customs and practices of the college and also to enable the students to become familiar with the amenities and accessing the intellectual and physical resources of the institutions. It is also important to familiarize students about the extension activities at the college.

Orientation about NSS and its activities was given on two days 15.09.2021 and 16.09.2021 during the Students Induction Programme. On 15.09.2021, two batches and on 16.09.2021 one batch of fresh students were given the orientation. Dr.M.Malarvizhi, Assistant Professor and NSS PO addressed the students about the objectives of the NSS, Organizational Structure, NSS associated activities and importance of extension work at the community level.
