Awareness Meeting on Physical and Mental Health

SPECIAL CAMP – DAY 5

Venue: Valavadi Village, Tirupur District

Date: 10-01-2023

Time: 4.00 p.m.

National Service Scheme of Sri G.V.G Visalakshi College for Women arranged an awareness meeting on physical and mental health on 10-01-2023. The guest speaker Dr. Parveen, Naturopathy Doctor, Amaravathy Nagar, Udumalpet stressed the following in her speech,

- Our health and fitness are more valued than our wealth. In fact, our elders were always been focused on the health and fitness part. They treasure it like wealth. The major reason ill health is the personal habit and living style of people.
- Physical activities play a crucial role in academic success. Regular physical activity can improve concentration and memory retention, reduce stress and anxiety, improve sleep quality, enhance creativity and problem-solving skills, and improve physical health.
- Maintaining mental health in check is crucial for overall well-being and quality of life. Mental health affects us all, directly or indirectly, and it's time to shed light on this vital aspect of our well-being. It is important to understand that mental health issues can affect anyone, regardless of age, gender, or background. Anxiety, depression, stress, and other mental health challenges can have a profound impact on our daily lives, relationships, and even physical health.
- One of the most effective ways to promote mental health is to practice self-care. This includes activities that help us relax and maintain a balance in our lives. This may mean taking a walk in nature, spending quality time with family members, or simply unplugging from social media for a while. By doing so, we can reduce stress and anxiety, thereby nurturing our mental health.
- Moreover, creating awareness and sharing information about mental health is crucial. The more we educate ourselves and others, the better equipped we will be to identify when someone needs help and support.
