Activities during day that effect your future

So, how should you be prioritising your time? Time management can be split into four categories:

1. Urgent & Important
- Answering business phone call
- Dealing with a client
- Broken machine
- Crying baby
- Deadline
- Handling customer complaint
- Accidents
- Acute mistakes

2. Not Urgent & Important
- Business planning
- Health
- Professional development
- Listening in relationships
- Preparation for meetings
- Goal-setting
- Holidays and recreation time
- Producing systems

3. Urgent & Not Important
- Important to other people
- Answering personal calls
- Drop in visitors
- Doing favours
- Opening the mail
- *Saying YES to activities that distract you from Quadrant 2*

4. Not Urgent & Not Important
- Watching mindless TV
- Reading mindless books
- Mindless computer games
- Internet surfing
- *Doing things you could get*
