

Department of Mathematics

Extension Activity

2018-2019

Adult Education

Our III B.Sc. Mathematics students gave education to adults of their neighbours in their own village who are uneducated. Each of our student took one person. All of our III B.Sc. Mathematics students involved in this extension work. They helped the adults to write tamil letters and numbers. It can be very useful to identify buses and for reading news papers etc. 58 adults were benefited by this extension work.
