Extension Activity - Report

1. **Awareness Programme on COVID 19** : The purpose of the extension activity is to inculcate social,civic responsibility and also provide hands on experience in delivering service. During the Pandemic Covid -19, students volunteered themselves in creating awareness on COVID - 19 among their native villages. 55 students of III B.Sc Mathematics gave awareness program on their villages by insisting the importance of Vaccine and insisted to take both doses. Because of it many have voluntarily took vaccine. Also they distributed masks, sanitizers and demonstrated "how to wash hands". Because of this programme the students learnt their social responsibility and also protected themselves, their family members and also their neighbours from the pandemic. More than 800 people got benefited through this activity. Many Government officials and the benefited members appreciated this activity and had given feedback.
