

Department of Mathematics

Extension Activity

Activity: Apply labour card under
labour welfare scheme

Date: 20.1.2024

- To felicitate the people of Pottayampalayan village a camp was organized regarding "Apply labour card under labour welfare scheme" by the department of Mathematics in collaboration with NGO "Community health and development programme".
- This is one of the central government schemes which provides financial support to all labours like drivers of car, auto and lorry, unorganized labours, tailors, etc.,
- The main benefits includes - Scholarship for School and College students of labours ward, Assistance for marriage and maternity. Also provide insurance for accident and death etc.
- By the NGO guidelines the students gave awareness about labour welfare scheme through distribute the pamphlet and help them to apply the labour card in labour welfare office, Near old Sindhmani godown,

Ansari street, Udumalpet.

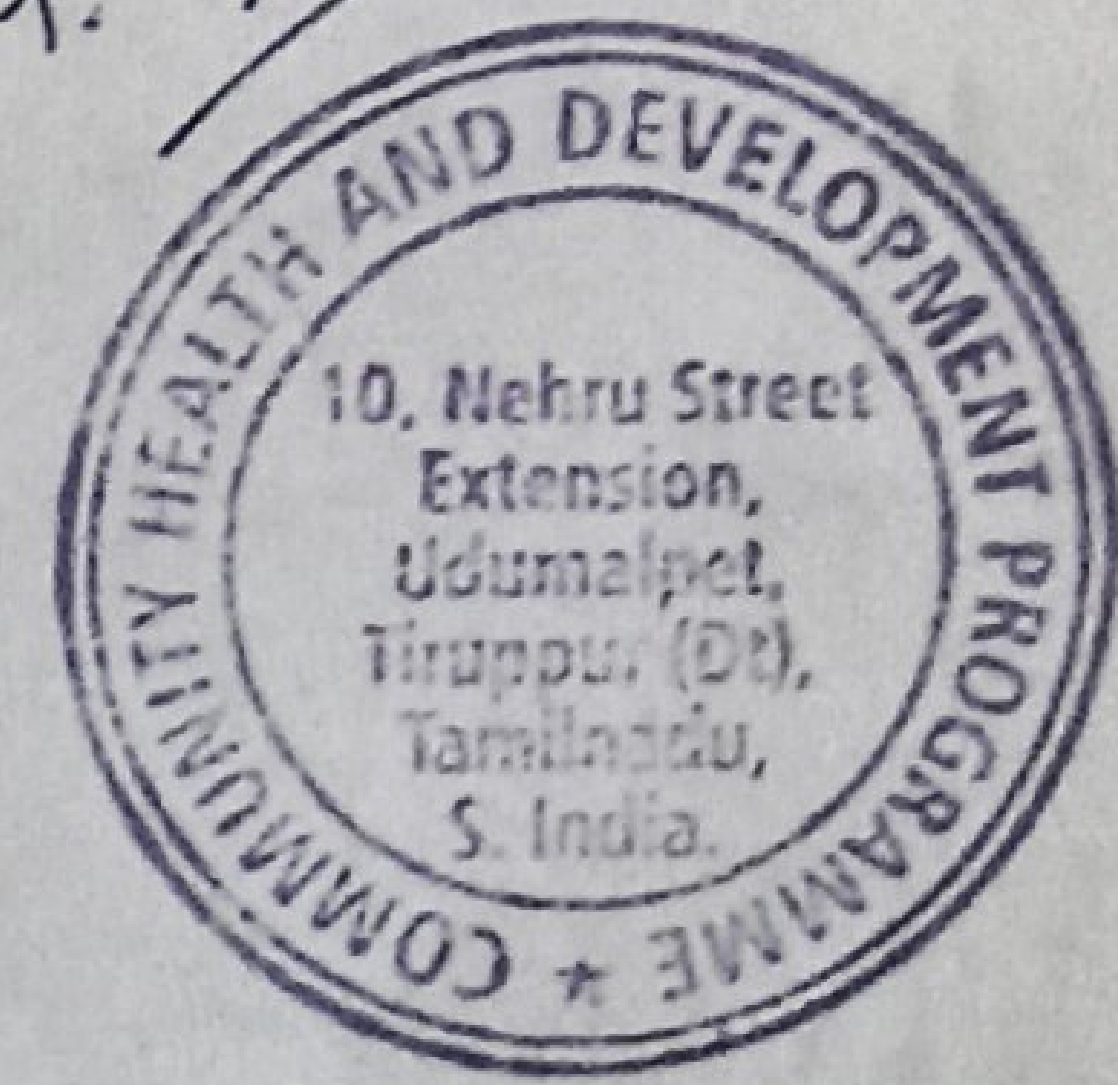

- The programme was successful and more than 90 people were participated and some of them benefited under labour welfare scheme by the help of our students.
