Industrial Visit to GD Naidu Museum and Regional Science Center

11.12.2021 & 12.12.2021

has motivated our students to think innovatively while studying and after. Finally, through this field visit, students got an idea that to create models on their own, related to their curriculum and the role of science in their daily life activities. Also, they understood that they have to learn subjects with suitable ^{or} daily life examples for better understanding.

REGIONAL SCIENCE CENTER, COIMBATORE

Field Trip Report

12.11.2021

The Mathematics Department has planned a field trip for III BSC. Mathematics students to Regional Science Center and G.D.Naidu Museum Coimbatore on 12th November, 2021.

In Regional Science Center, there are 4 galleries, (i) Textile (ii) Astronomy (iii) Fun Science (iv) Science in Daily life galleries. There they gained lots of knowledge about science and technologies. They came to know about the miracles behind the science world.

Next they visited G.D.Naidu museum. There they had a chance to see G.D.Naidu's inventions and they gained knowledge about unknown facts about him. The facts behind science made them wonder and excited.

43 students and two staff members have accompanied the students, and this trip provided a great exposure to them.
