WEBINAR IN CONNECTION WITH NATIONAL CYBER SECURITY MONTH

- OCTOBER 2021

29.10.2021

Name of the speaker : Mr. E. Vijayakumar
Associate Professor and Head
Department of Computer Applications
Kalaingar Karunanidhi Institute of Technology
Coimbatore.

Topic : CYBER THREATS TO WOMEN

Time : 2:30 - 3:30 pm

Mode : Google Meet [<https://meet.google.com/ing-egzp-hkn>]

The main objective of the webinar was to alert the attendees of the possible cyber-attacks and crimes. The webinar witnessed participation from students at UG level and faculty members too. The webinar started with the prayer song followed by welcome address given by Dr. V. Pankajam, Assistant Professor in Mathematics. The cybercrimes addressed by Mr. E. Vijayakumar by means of real life case studies made interesting and contemporary. He spoke about the use of domains of trusted websites and companies, being used extensively for committing fraud and money theft. He advised the attendees to be cautious while giving permission to various apps as the app might act like spyware and attain personal information from the persons phone. Mr. E. Vijayakumar emphasised on the need of each persons phone by revoking unnecessary permissions, uninstalling unwanted apps and deleting sensitive information to ensure that a step is being taken for protection against the ocean of new-age cybercrimes. He pointed

that women need to be aware of their safety in the digital world. The program ended by the vote of thanks by Ms. D. Bavatharani, Uj B.Sc Mathematics. The webinar was attended by around 108 participants.
