FEEDBACK

We the students of first Msc zoology attended the program at CBNR, Coimbatore on 23-02-2024. We are able to witness and practice hands on the different techniques of DNA Isolation, plasma serum separation (Human blood), Estimation of Carbohydrate etc. It was very informative and enlightening for us on such techniques. I really thank our department for organizing such a training for us. I thank the DBT Star status scheme for supporting.
