REPORT OF VIRTUAL ALUMNAE MEET (2021 – 2022)

Department of English SF organised a *Virtual meeting for the Alumnae* through Google meet on *13.10.2021*. The Session began by *Welcome Address by Dr.P.Renuga, Head of the Department*. The students were from *UG English Literature (2018 – 2021)* batches and *PG English Literature (2019-2021)* batches were the participants. They appreciated our syllabus. Through their interaction we came to know that many have joined higher studies. Some students are working and there are students who are going for coaching classes for Competitive Examinations. It was an enriched session where fruitful experiences of our students came to our light. Some students have settled as Home Makers. They promised that they will actively participate in our future meetings too. The Session ended with *Vote of thanks by Ms.P.Tamilselvi*.
