         The Department of Information Technology organizes " **3 Days Student Enrichment Program**" On the title "Awareness on Competitive Examination".The chief guest of the session ***Prof.A.Sethuramasubbiah***,Professor & Head(Social Work), Apollo University, Chittor, Andhra Pradesh. presented the keynote address on "Awareness on Competitive Examination" with clear motivation speech of its importance and need to the students.

       The resource person explained the Early exposure to learning and competition builds confidence and sharpens skills which raise your level from other students on the same platform. Competitive exams will enhance the skill of understanding the application of concepts, which is required in a broader context when we appear for exams like Civil Service and many others. Exams develop IQ, logical and analytical thinking and build a strong foundation for a career.

    The Chief guest explained the   academic facilities to the students aspiring for Central & state service examinations such as GATE, Civil service, Engineering services,Group-1.He motivated the students competent to attend competitive exams and to develop good administrators, create awareness among students about their social and civil responsibilities. To help learners make appropriate and realistic career choices and career direction and acquire leadership qualities and democratic attitude. It is an most informative session. About 243 students and four faculty members attended the session and benefited.
