### REPORT

Ecobricks turn used plastic into reusable building blocks ideal for circular & spiral building applications. Eco brick applications range from home furniture, to food-forest gardens to structures. The Eco- Brick was initiated by the Green Initiatives and Environmental Club of Sri GVG Visalakshi College for Women. Our Students from I BSC CS initiated an innovative idea on 15th of January 2023 with the clear aim of observing an envision for a Transition in our Households, Communities and Enterprises from Plastic to ever Greener Harmony with Earth's Cycles. 69 students of I BSC CS have collected waste dry products with a good mix of soft and hard plastics because this helps to make them more dense and to fill up the pet bottles colorful appealing look. Students eagerly participate in wealth from waste and they showcased many ideas on the waste products which are very much re- usable and an efficient art work.
