WELCOME YOU ALL !

Green Initiatives of Environmental Club

Events : Components Based Activity -
Wealth from Waste.

Place : Sri G.V.G. Visalakshi College for Women

Date : 24.01.2024 to 05.02.2024.

Green Initiative and Environmental club conducted a Component based activity on "wealth from waste". The three 'R's stand for Reduce and Recycle. They are a part of the waste hierarchy which is used to protect the environment and conserve resources through a priority approach. The aim is to get maximum practical benefits from products and to generate the minimum amount of waste. The wealth from wastes simply means to make or to create innovative and attractive things from the material we do not use anymore. In an initiative to generate the habit of using old things to create beautiful crafts among students. All first year under graduate students are participated in this events.
