

ICT Academy Youth Leadership Summit 2019

27 September 2019 - Coimbatore 9:00 AM - 5:00 P.M.

Sri Krishna College of Engineering & Technology, Coimbatore.

ICT Academy youth leadership Summit is a one day event for the youth across the nation to come together, develop their leadership abilities and dramatically grow and spread the leadership capabilities across the youth community. The students will be introduced to a highly diverse, and experienced group of leaders, to learn from their leadership journey. Through the inspirational speeches and peer discussion, students are empowered to dream and plan for leadership impact in their institutions, career, community and beyond! Then totally 166 students and 8 faculty members from our Institution attended the Youth Leadership Summit and experience the transformational that will further develop each student's sense of mission and purpose.
