Yoga and Meditation

Yoga, the priceless gift of Ancient Indian heritage and tradition, an art and science of healthy living is the need of the hour. The Freshers were given practice session for two days on 20.06.2019 and 21.06.2019.

Creative Art and Culture

Culture represents a set of shared attitudes, values, goals and practices. Culture and creativity manifest themselves in almost all economic, social and other activities. With the plurality of its culture, India has one of the world's largest collections of songs, music, dance, theatre, folk traditions, performing arts, rites and rituals, paintings and writings that are known as the 'Intangible Cultural Heritage' (ICH) of humanity.

The students were given training in the 'Kummi, a folk dance accompanied by songs, called 'Kummi songs' popular in Tamil Nadu.

Bridge Course - Literary Activity

The course enabled the Vernacular Medium students to shun their fear and easily plunge into the pattern of collegiate education wherein the medium of instruction is English. The students were motivated to speak in English and improve their proficiency in English. Basic English Grammar was taught and tasks were given to develop their LSRW skills. Audio and video were played in order to teach them right pronunciation. The course continued till 1.07.2019

Library Visit : Books - The Treasure of Wisdom

Students from all the Programmes visited the library in the allotted schedule. The Librarian oriented the students about the general rules of the library and informed about the various Journals, Reference Books & Online resources available.

Campus Tour

Campus tour facilitated the students to get a first hand view of the college, to know about college facilities, culture on campus life, academics, programmes offered by the institution. They were able to learn about the built environment and overall look and feel of the institution.

Co-Curricular & Extra Curricular Activities

- ❖ Information about the functioning of student council / Clubs etc.
- ❖ Selection drive to join in NSS/RRC/YRC/NCC/Games.

ICT

ICT has become an integral to the teaching-learning interaction. The Fresher's were oriented on the College Learning Management System CAMU.

The database of the CAMU system, regarding the details of students, faculty, courses, teaching plan, teaching content, assignments, student and staff activity, question banks, question papers, examination details and other administrative related details were explained.

Seed Ball Preparation

On 25th June 2019, with the motto of ‘Giving Back to Nature’, an initiative to improve and enhance green cover, an activity of seed ball making was taken on by our first year students.(915 students were involved in the task) 1,00,000 Neem Seed balls, made by the students, were handed over to ARANYA (Anamalai Reserve Always Needs Your Attention) Charities. The activity has kindled the spirit of the younger generation in conserving the habitat and to reclaim the lost green cover.

Stress Management

Students are the most common victims of stress. An exclusive Session on ‘Stress Management’ was arranged for the Fresher’s to enable them to manage stress in its early stage .This will support every individual in future to overcome stress and make use of academic opportunities and enhance their personality.
